THE BEST WAY TO LEARNING TURKISH!

GİRNESEM

Course Overview

University of Kyrenia Continuing Education Centre offers a Turkish Language Program for non-Turkish speakers. This course is specially designed for outlanders that enable them to speak and communicate in Turkish.

Elementary/Beginner level is designed to give trainees the basic knowledge of Turkish language. Trainees learn the sound and pronunciation of letters. This level also covers basic grammar knowledge and vocabulary in parallel with improving reading, writing and speaking skills. Moreover, trainees learn the basics of Turkish culture that enables them to communicate with Turkish speaking people in their daily lives.

Course Duration: 10 weeks (2 days a week)
Starting Date: 19 April, 2016
Timings: 17:30 – 19:30
Tuition Fee*: 400 TL
Venue: University of Kyrenia,
Karakum Girne.

*For University of Kyrenia students,
25% discount will be applied.

Trainees who complete this program will get Turkish Learning Certificate in the end of this course. For further details and Registration, please contact on:

+90 (392) 815 99 36 or download the Registration Application Form from our website and submit the completely filled form to **girnesem@kyrenia.edu.tr**
