

UNIVERSITY OF GUINEA
SUPPORT FOR ENCOURAGING SCIENTIFIC AND ARTISTIC ACTIVITIES AND PUBLICATIONS

PROGRAMME DIRECTIVE

University of Kyrenia provides financial support in two categories according to the principles detailed below within the framework of the Support Programme for Scientific and Artistic Activities and Publications (BSEYÖDP) in order to increase and encourage the scientific production of academic staff. All applications for incentive support are finalised by the Board of Trustees.

1. FINANCIAL SUPPORT FOR PUBLICATIONS

Article Article publication support is only given to publications with an impact factor of 0.25 and above, scanned in Web of Science and Scopus, in accordance with the grouping in the SCIMAGO journal ranking. The financial support is given as 9000 TL for Q1 group, 7000 TL for Q2 group, 2000 TL for journals scanned in Scopus, according to SCIMAGO ranking, after the articles with University of Kyrenia address published in journals with an impact factor of 0.25 and above are visible in Web of Science and/or Scopus, divided by the number of faculty members.

Abstracts cannot benefit from this financial incentive even if they are scanned in Web of Science or Scopus databases. Publications that benefit from the congress incentive to publish the full text are not given a publication incentive.

Table 1: Financial Support Amounts Provided for Publication

RELEASE	
For Q1 Group	9000 TL
For Q2 Group	7000 TL
For publications scanned in Scopus	2000 TL
For letters to the editor and full-text publications of large project outputs with more than 100 authors, each publication per GIRNE author	200 TL
Other Publications : Scientific publications that are not within the scope of original articles such as case studies scanned in Web of Science and Scopus databases	200 TL

Book: Book publication support is provided for books or book chapters published by well-known international presses (Pearson, Prentice-Hall, Thomson Reuters, Kluwer, Penguin Random House, Hachette Livre, McGraw-Hill, Holtzbrinck, Scholastic, Wiley, Tailor & Francis, Springer, Elsevier, Oxford University Press, Cambridge University Press, EKSMO), indexed in WOS book series and Book Acquisition index and in the following amounts.

Table 2: Financial Support Amounts Provided for the Book

BOOK	
Book	9000 TL
Book Chapter	3000 TL

For books or book chapters published by other press houses and the following amounts The following amounts of financial incentives can be given with the decision of the Scientific Publication and Incentive Unit Board of Directors.

MIG: The Article Processing Charge (APC) required for articles to be published in journals indexed in the Web of Science database and with an impact factor above 0.25 can be deducted from the deserved MIG, provided that it does not exceed the calculated Incentive Support Amount (ISA), and can be given to the applicant faculty member in advance. If the MIG paid is lower than the deserved FSA, the remaining amount is paid after the article is published.

1.1 APPLICATION AND ENTITLEMENT CONDITIONS FOR FINANCIAL SUPPORT FOR PUBLICATIONS

Financial support for publications is provided to full or part-time employees of the University of Kyrenia for publications addressed to the University of Kyrenia under the following conditions after the publication appears in the Web of Science and/or Scopus databases under the University of Kyrenia:

- a. If the article to be supported has more than one author with University of Kyrenia address, the financial support will be divided by the number of authors with University of Kyrenia address.
- b. In publications made within the framework of scientific cooperation, financial support provided to academic staff or researchers using the University of Kyrenia address for

publications

is given. In this condition, if the institutional e-mail and web address of the applicant academic staff or researcher in Google Scholar does not have the extension neu.edu.tr, financial support is given over 1000 TL, taking into account the number of authors with GÜ.

- c. If the amount of incentive per person is less than 200 TL, no payment is made.
- d. Scientific publication and incentive fees are updated based on the minimum wage.

2. FINANCIAL SUPPORT FOR SCIENTIFIC AND ARTISTIC ACTIVITIES

Conference/Congress: Financial support for the works to be presented and published due to international conferences / congresses scanned in Web of Science and / or Scopus databases and whose full text will be published, or for the papers to be presented at conferences / congresses held 5 times without interruption and at least once every 4 years, at least two articles published in journals in the Q1 or Q2 group according to SCHIMAGO rating in the fields of science, health and engineering, and in the Q1, Q2, Q3 or Q4 group in the fields of social sciences and arts, or at least the ALG or KYP score calculated as a result of the previous academic performance evaluation.

2.00 provided that it is 2.00. The lecturer who does not meet the above conditions, but meets the other eligibility conditions stated below, will only be paid the conference/congress registration fee. No registration fee is charged to University of Kyrenia employees for conferences/congresses organised by University of Kyrenia.

Table 3: Amount of Financial Support Provided for Scientific and Artistic Activities
